

Statement of interest

CNRD is connecting universities worldwide promoting academic exchange and cooperation in the area of the management of natural resources, in particular related to Water, Land, Ecosystems and Renewable Energy resources. It fosters interdisciplinary approaches to natural resources management related to the Post 2015 Agenda and the envisioned Sustainability Goals (SDG). Membership to the network CNRD is open for any HEI which offers to significantly contribute to reaching the goals of CNRD.

Herewith, the university _____

applies for membership in the CNRD network.

Contact person (function, title, name, email and telephone number)
